Garden History in Bedfordshire

A light-hearted, pictorial miscellany of a wide variety of garden history in Bedfordshire. A selection through the centuries from the Walden Pear mentioned by Shakespeare to the recent gardens at Stockwood Park and the use of LiDAR.

The talk uses pictures, paintings, postcards, diaries, maps etc. to illustrate that garden history covers gardens big and small from Wrest Park to allotments and looks at items in garden landscapes from walled gardens to sun dials.

An event for both new Garden Historians and BGT members. A talk plus time for informal networking and discussion.

FREE (including tea/coffee/biscuits)

Booking not essential but useful for putting out chairs, cups and buying enough biscuits!
