Howbury Hall

is a beautiful Grade II

Listed mansion. It was rebuilt in 1849 following a fire and sits in a park of about 100 acres with a 10-acre traditional garden at the centre of a busy farm. The estate has woodland gardens, along with vegetable and flower gardens. It also has a walled garden, greenhouses and a small commercial cut flower nursery, as well as a new heritage fruit tree orchard and beehives. Refreshments will be available on the terrace.
