The Walled Garden

Luton

The 5 acre Luton Hoo Estate Walled Garden was designed by Capability Brown and established by the notorious Lord Bute in the late 1760s. The Walled Garden now offers a unique opportunity to see conservation and restoration combined with outstanding volunteer involvement in action. The garden continues to be restored, repaired and reimagined for the enjoyment of all.

Bedfordshire Gardens Trust

**will enhance your visit with details about the history of
Luton Hoo Walled Garden and the ongoing project to
rejuvenate the Capability Brown Walled Garden**
