## The Walled Garden

Luton, Bedfordshire

The 5 acre Luton Hoo Estate Walled Garden was designed by Capability Brown and established by the notorious Lord Bute in the late 1760s. The Walled Garden now offers a unique opportunity to see conservation and restoration combined with outstanding volunteer involvement in action. The garden continues to be restored, repaired and reimagined for the enjoyment of all.

### Features and Attractions

Volunteer garden and local history experts are on hand to explain and expand on what you see. An amazing cactus collection and original restored prop houses. Exhibition of Victorian tools. Walled Garden Shop with ever changing seasonal produce, including our outstanding Estate honey.
