

Orchards East Surveyor Training Day

The training day has been arranged for 1030 on Saturday 14 April at Mowsbury Golf Club, The golf club's address is Kimbolton Road Cleat Hill Bedford MK41 8BJ.

The training day should take about 3 hours in total, so it will run to about 13:30. Following a brief re-introduction to the Orchards East project, we will be going through the surveyors pack and procedure and answering any questions that arise. Following this there will be a visit to Mowsbury Hillfort orchard, where budding surveyors will be able to try out a practice survey. We will then return to base, discuss how everyone found the surveying and there will be the opportunity for any final questions.

Please arrive by 10:15 to allow for a prompt start to the day. Tea and coffee will be available, and lunch can be purchased from the golf club bar. You may want to consider bringing a packed lunch or some snacks with you. A water bottle and warm and water proof clothing (suitable for any spring showers) will be needed. You should also wear stout shoes or boots, which would be ideal for the visit to Mowsbury Hillfort.

Numbers for the event are limited. If you are interested in coming along please let Howard Jones know as soon as possible. He can be contacted by email at Howard.Jones@uea.ac.uk
