# Study Day: Reviving a Forgotten Garden

## 12 October 2022

Celebrating 21 years of research and restoration of a 'Capability' Brown walled garden at Luton Hoo by volunteers

**So much to cover in one day - we will provide lots of information:**

### Talks:

- Project outline
- Water – a research thread running through the history of the garden
- Oral Histories help chart the successes and setbacks of the 20<sup>th</sup> century
- The future

### Tours:

- Reviving the garden & prop houses – Garden Team's achievements
- Restoring the structures & machinery – Conservation Team's work

### Plus:

- Displays, Maps, Pictures
- Booklets on numerous topics that have been researched
- See the Volunteers at work
- Lunch, tea/coffee
