Bedfordshire Gardens Trust

Schools entered a miniature garden in a wheelbarrow with a wild life theme.

Beds Gardens Trust has been delighted to contribute the prizes so that £150 of Garden Vouchers will be awarded.

Congratulations to the **Swiss Garden** for relaunching their first horticultural competition for Lower and Primary Schools in Central Bedfordshire.

A big thank you to **Poplars Garden Centre** for the wheelbarrows, compost, and 20% discount of plants purchased there for the competition.
