# Growing Citrus Fruit in Bedfordshire

**Friday 19 April 2024**

**Speaker: Helen Barlow**

**Awarded National Collection  
Status in 2022**

Lemons, limes, oranges, grapefruit, kumquats, yuzu, citrons, calamondins, limequats and many other hybrids spend the cooler months in heated accommodation and their summers outside.

Helen has presented this talk at RHS Wisley

**FREE Zoom**  
opens 7.45 pm  
**Talk 8.00 pm**

**Members will be sent the zoom link**

**Zoom link for non-members from**  
[treasurer@bedsgardenstrust.org.uk](mailto:treasurer@bedsgardenstrust.org.uk)

Zoom Link will also be posted on the BGT website  
from 12 April [www.bedsgardenstrust.org.uk](http://www.bedsgardenstrust.org.uk)
