# 17<sup>th</sup> Century London Clockmaking and Clockmakers +

## Thomas Tompion (1638-1713) master clockmaker born in Ickwell

A Tompion clock is in the stable built at Ickwell Bury  
in 1680s and perhaps in  
Northill Church

**Monday 13 May 2024**

**Speaker: Robert Lamb**

Robert is the Renter Warden at The Worshipful Company of Clockmakers. He provides tours of their collection of clocks, watches and associated objects on display at the Science Museum in London. He is also a member of the Antiquarian Horological Society.
