Southill Park

Southill, nr Biggleswade, Bedfordshire

Southill Park first opened its gates to NGS visitors in 1927. A large garden with mature trees and flowering shrubs, herbaceous borders, a formal rose garden, sunken garden, ponds and kitchen garden. It is on the south side of the 1795 Palladian house. The parkland was designed by Lancelot 'Capability' Brown. A large conservatory houses the tropical collection.

Southill Park, Southill, nr Biggleswade, Bedfordshire, SG18 9LL

Bedfordshire Gardens Trust

will be present with details about the history of the Southill Park landscape to enhance your visit

The overall 'Capability' Brown landscape will not be accessible from the gardens open to the public but maps and information will be available
